Mr. Geoff Ziezulewicz
2466 Matsen Lane
Oak Harbor, WA 98277

Dear Mr. Ziezulewicz:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT (FOIA) REQUEST

This is in response to your Freedom of Information Act (FOIA) request of January 27, 2021. You seek a list identifying U.S. Navy Sailors determined to have died by suicide from January 1, 2015 to present. You request that the list contain name, age, rank, rating, ethnicity, gender, manner of death, and duty assignment at the time of the passing of each Sailor. This command received your request on January 28, 2021. Your FOIA request number is 2021-003069 and FOIA correspondence file number is 20210157.

A releasable copy of the responsive list is enclosed. The name of one Navy Flag Officer (O-7 or above) is included as a Flag Officer's privacy expectations are diminished due to seniority. The redacted names, and other sought information not included in the provided list, pertaining to Navy Captains (O-6 and below) are exempt from disclosure under FOIA exemption 6 [5 U.S.C. § 552(b)(6)]. Release of such information would constitute a clearly unwarranted invasion of the personal privacy of the surviving family as it may rekindle grief, anguish, pain, embarrassment, or result in a disruption of their peace of minds. Information sought beyond name would identify an individual with an additional search of, or request for, other public or government records resulting in a mosaic effect and causing a derivative privacy invasion.

I am the official responsible for this partial denial response. You have the right to an appeal. Should you wish to submit an appeal, it must be received within 90 calendar days from the date of this letter. Please provide a letter requesting an appeal and include a copy of your initial request and a copy of this partial denial response letter. You are encouraged (though not required) to provide an explanation why you believe our search of records was inadequate. Also, please provide a copy of your appeal letter to us at Bureau of Naval Personnel, PERS Code 00J6, 5720 Integrity Drive, Millington, TN 38055.

There are two ways to file an appeal—through FOIAonline or by mail.

1. Through FOIAonline. This will work only if you set up an account on FOIAonline before you make the request that you would like to appeal. To set up an account, go to FOIAonline (this is a website that will appear as the top hit if you search the internet for "FOIAonline"), click "Create Account" (a link located within the blue banner at the top in the upper right corner), enter your data into the field that subsequently appears, and click "Save" (at the bottom left of the screen). With your account thereby created, you will have the power to file an appeal on FOIAonline to any request you file on FOIAonline thereafter. To do so, locate your request (enter a keyword or the request tracking number in the "Search for" field on the "Search" tab), click on it, then the "Create Appeal" tab in the left-hand column. Complete the subsequent field, click "Save," and FOIAonline will submit your appeal.

2. By mail. Address your appeal to:

The Judge Advocate General (Code 14)
1322 Patterson Avenue SE
Suite 3000
Washington Navy Yard, DC 20374-5066

[Note: the preceding address is the default address. Alternatively, it may be sent to the Department of the Navy General Counsel if appropriate (the Office of the General Counsel generally handles issues outside of those of the uniformed service). That address is as follows:

Department of the Navy,
Office of the General Counsel
1000 Navy Pentagon, Room 5A532
Washington, DC 20350-1000

In addition, the Office of Government Information Services (OGIS) provides a voluntary mediation process for resolving disputes between
